INTERNSHIP AND TRAINING EXPERIENCE

G10x, Kochi Mar 2025 - Jun 2025

• Built cross-platform apps with RESTful APIs for data handling and state management via GetX. Optimized widgets and applied lazy loading to boost performance and cut load time by 30%.

CDAC, Thiruvananthapuram

Jun 2024 - Jul 2024

• Utilized cutting-edge Deep Learning techniques to tackle diverse challenges, thereby gaining practical experience in the evolving field of data-driven decision-making.

Inceptez Technologies

Mar 2024 - Jan2025

• Enrolled in a hands-on course at Inceptez, gaining experience in Hadoop, Spark, Kafka, cloud platforms, real-time streaming, integration, data governance, and DevOps tools for end-to-end data engineering.

EnterKey Solutions, Nagercoil

Jun 2023 - Jul 2023

• Designed responsive web interfaces using HTML and CSS, ensuring cross-browser compatibility and contributing to functional enhancements in collaboration with the team.
